

OTTERY ST MARY TOWN COUNCIL

LAND REQUIRED FOR ADDITIONAL ALLOTMENTS SITE AND DETAILS OF INTERESTED PERSONS

Ottery St Mary Town Council is aware that due to the increase in the population in the town, resulting from recent housing development, plus the current circumstances in which we are now living, there appears to be a real need for additional allotment plots. We currently have a waiting list for allotment plots at the Town Council's Higher Ridgeway site. Unfortunately, we are unable to expand this site further.

The main issue we have, is sourcing an area of land in the town to enable us to progress the project. Therefore if any one has any land that may be suitable for allotments, preferably on the Kings School side of town, can they please contact Cllr Richard Grainger on 01404 815984 or e-mail him at richard.grainger@otterystmary-tc.gov.uk Richard will be happy to discuss the matter with you.

In addition, it is important that the Town Council has an idea of the number of persons requiring plots to see if the interest is sufficient to progress the land acquisition etc. Therefore can you please register your interest with Liz Graveney at admin@otterystmary-tc.gov.uk or by contacting her on 01404 812252 with your name, address, e-mail address and telephone number. If you are already on the Council's waiting list, please do not re-register as this will skew the figures.

Christine McIntyre

CEO - Ottery St Mary Town Council
