19/06/06

TO RECEIVE REPORTS FROM EDDC AND DCC COUNCILLORSEDDC Cllr Geoff Pratt

Cllr Pratt advised that currently the priority at EDDC was the training of new councillors. The Greater Exeter Strategic Plan had reared its head again and would need to be reconsidered in September and consultation carried out. A partnership of Teignbridge, Exeter, East Devon and Mid Devon district councils together with Devon County Council was being suggested to create the housing needs required (mostly for Exeter) to support sustainable growth. It was noted that EDDC could reject the proposed partnership. There was a possibility that 5000 homes could be built in East Devon and that the western side of Ottery was a potential target for developers. There was also the possibility of a second town with a likely population of 3000 plus

EDDC Cllr Peter Faithfull

Cllr Faithfull referred to the training priorities at EDDC. He advised that some Cabinet members were working on the Council Plan for the next four years. Cllr Faithfull had been pushing the importance of climate change at every opportunity which was now being acknowledged by EDDC as an extremely important issue that needed to be tackled

EDDC Cllr Vicki Johns

Cllr Johns also confirmed that training of new councillors at EDDC had taken precedence over all other matters and that next month she should have more matters to report

County Councillor Claire Wright

The Carers Spotlight Review would take place in July, chaired by Cllr Wright, with a report being submitted to DCC's Health and Scrutiny Ctte in the Autumn. Cllr Wright was disappointed to see that the Land of Canaan and the Millennium Green had been strimmed, whilst the wild flowers were in bloom. She hoped that future grass cutting could be carried out later in the year to alleviate this issue, particularly as the Council was considering an item on climate change later on in the meeting. Cllr Dobson advised that there were strict guidelines to adhere to with regards to the maintenance of the Millennium Green. However this year, the right hand side had been left uncut. The circus would also be arriving on the Green next month necessitating in the grass cutting. Cllr Johns advised that she was meeting with EDDC officers on 10th June at 4.00pm to discuss the trimming of the Land of Canaan to see if it could be left longer for wildlife purposes. If anyone else wished to be present, they were welcome to attend.

Cllr Wright had been attempting to set up a meeting with the relevant persons regarding the ongoing issue of cars ending up in the ditch along Exeter Road. Approx 12 vehicles had ended up in the ditch in the past year.

19/06/07

POLICE MATTERS (INCLUDING CRIME FIGURES)

CONSIDERATION OF SUGGESTIONS AS TO HOW FORMER COUNCILLORS COULD BE RECOGNISED FOR THEIR PREVIOUS SERVICE

There was much discussion about this subject. Cllr Dobson was of the view it was a good idea for former councillors to be recognised for their service. It was **RESOLVED** that the former councillors be presented with a framed certificate to honour their service to the Council subject to the Clerk ascertaining from each of them in the first instance, as to whether they wished to accept such a gift. If a positive response was received, they could then be presented with their certificates at a formal presentation. It was understood that the proposed costs would not exceed £150. If any councillor did not wish to receive a certificate it was agreed that the Clerk would send a letter of thanks instead. It was also **RESOLVED** that the Clerk prepare a Council policy regarding future gifts to former councillors who had served a minimum 4 year term. The Clerk would contact the former councillors to gather in their responses to the proposed gift/presentation and their responses would be further considered at the July meeting

19/06/15

TO CONSIDER (AND AGREE) AS TO HOW COUNCILLORS SHOULD BE ADDRESSED AT FULL COUNCIL MEETINGS

Cllr Harding provided her reasons as to why there should be a degree of formality at Council meetings which included councillors being addressed as `Cllr` which she viewed as being respectful and added a sense of gravity to the proceedings. However other councillors were of the view that to address each other by simply using first names only, was a means of encouraging team spirit and broke down barriers. After much discussion it was **RESOLVED** that councillors should be referred to by their name (whether it be a Christian name or otherwise) rather than use the word `Councillor`

19/06/16

INFORMATION CENTRE - TO CONSIDER THE PROVISION OF A WORD` SOFTWARE PACKAGE FOR THE INFORMATION CENTRE COMPUTER

ii.The Clerk reported that there had been an issue with her computer resulting in AI Findlay, the local engineer being called out to repair the same. The Clerk had asked Mr Findlay to prepare a report on the condition of the computers particularly as she had had ascertained they were nearly 10 years old. Mr Findlay advised that he recommended a max working life of approx. 10 years for a machine used business hours weekly. In terms of usage hours, the computer was fitted with a lower quality Hitachi drive and had done 18000 hours. Mr Findlay advised that this wasn’t in itself an indicator of the life left in the machine, but once a drive got to about 10k hours he recommended replacement. He considered the office computers to be “at risk” and recommended frequent backups. The Mayor proposed that it be acknowledged by the Council that the computers were not fit for purpose and for the Clerk to investigate the cost of replacement computers with the item being included on the July agenda. This was agreed and it was further agreed that the Clerk to obtain three quotes and to check that any new system would be compatible with the Council`s printer

v. Cllr Lucas reported an issue with the accessibility of users of the disabled parking space outside the Museum and it was suggested that consideration be given to providing an additional space within the vicinity. Cllr Wright would follow this up

vi. Cllr Faithfull suggested that the Council purchased the plot of land at Slade Road (to be auctioned shortly) to deter the potential development of the site. However the Mayor was of the view that this was unnecessary.
