

A NOTE FROM THE NEIGHBOURHOOD PLAN WORKING GROUP

Very many thanks to all of you who came along to one of the September consultation events held across the Parish - in West Hill, Ottery Town, Tipton St John, Escot and at the special event for Kings School pupils – to give your views and ideas about how you would like to see our neighbourhood develop over the next 16 years up to 2031.

If you were unable to get to one of these events, there is just time to make your views known. You'll find a simple questionnaire on the Town Council's website (www.otterystmary-tc.gov.uk) via the 'Neighbourhood Plan' button and there's still a week or so to send or hand in your views to the Town Council Offices.

The next few months will be very busy as we carry out lots of supporting research and start to develop our thinking about everything that you have told us so far. You've given us lots to think about, what we want in our communities, how we can sustain and develop the local economy and our community services, and how we can protect the precious environment in which we live.

Look out for the next big opportunity that you will have in January/February 2016 when we will organise a big event to explore with you our initial ideas and thoughts towards developing your plan for our Neighbourhood, that's from Fenny Bridges to Tipton St John and West Hill to Wiggaton and East Hill.
