

Report from EDDC Cllr Vicky Johns for February Ottery St Mary Town Council Meeting

The joint Scrutiny and Overview meetings which last two days at Blackdown House. Due to the Chair of

Scrutiny being unavailable I vice chaired the Wednesday meeting and chaired the meeting on Thursday.

The discussions were about the Budget for EDDC which is discussed in-depth at these meetings before

going to cabinet, the full report is available on the EDDC website and the recordings are available on YouTube.

I also attended the Scrutiny meeting at Blackdown House on 2nd February where the chair put forward

a report on the production of the Local Plan and the portfolio holder for Climate Action and Emergency

Response gave their report. Again all of the information for these reports are available on EDDC website.

Stay safe
