

**ORD2104976: Patching works
Birdcage Lane, Ottery St Mary**

Wednesday 24th May 2023

This letter is to give you some further information about the planned patching works that we will be carrying out on Birdcage Lane, Ottery St Mary, from Monday 5th to Monday 12th June 2023.

Due to the nature of the works there will need to be a road closure to maintain safety for our workforce and road users. Emergency access will be maintained and access for residents.

Please see stretch of road to be closed highlighted in red on the map below, there will be a signed diversion route which is shown on the map in blue.

Our contractor will be doing a letter drop to residents to provide them with details of the works.

These patching works are in preparation for surface dressing in 2023 / 2024, we will of course provide further information regarding these works in due course.

I apologise in advance for any inconvenience caused, including construction noise. We will endeavour to keep all disruption to a minimum.

Should you have any questions please contact me on 07816 109005 and I will do my best to try to help.

Kind regards

Caroline Anderson

Stakeholder Relations Officer
