This Order is made by Devon County Council under section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the County of Devon Definitive Map and Statement require modification in consequence of the occurrence of an event specified in section 53(3)(c)(i) and (iii), namely the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public footpath, and that other particulars contained in the map and statement require modification.
