

Report from the Mayor, Cllr Vicky Johns:

Wednesday 17th September - I was delighted to be invited to attend the opening of the new improved Coleridge Bridge. It was well attended and Cllr Jess Bailey gave a speech, residents were definitely delighted to have this main bridge reopened.

Monday 29th September - Hospiscare coffee afternoon held at the Council offices. Kerry and Jane organised a wonderful coffee afternoon with plenty of delicious cakes, our PCSO Jonathan Simms was in attendance and lots of local residents also dropped in. Many thanks to Kerry and Jane for providing such a wonderful opportunity and for raising money for a great cause.

As the Mayor I also sit on every committee at the Town Council and I always see the same councillors at each meeting. Although this is nice it would be lovely to see some more councillors sign up and attend the various committees, after all many hands make light work. We also have several community events coming up such as Remembrance Day and the Festive Cheer evening so it would be lovely to see more of you at these, and other community events.

Stay safe,

Vicky
